RE: HB 2324 – Pro-Life Heartbeat Protection Bill

Hon. Chair and Committee Members

My name is Julie Wedan, I live in Wichita Kansas. I have been employed for the Union Rescue Mission here in Wichita for 15 years and I am a Registered Nurse. I am unable to appear in person before the committee today for the hearing on HB 2324 but I would like to submit my written testimony in support of the bill for consideration by the committee.

Because I believe that all life is valuable and a gift from God I am very interested in the Pro-Life Heartbeat Protection Bill. Please support this bill to protect the unborn, ending 85% of abortions here in Kansas. Please make us proud to live in a state that protects the unborn by supporting HB 2324 in committee and sending the Pro Life Heartbeat Protection Bill on to the full House for action.

Sincerely,

Julie Wedan RN
