41 days from the date of the written notification.

42 (2) Notification shall be deemed sufficient if mailed, via first class  
43 mail, to the address listed in the last application for registration or for

1 renewal filed by the applicant.

12 (1) Maintain liability insurance coverage;

13 (2) maintain workers' compensation coverage satisfactory under the  
14 workers' compensation act, or provide an affidavit of exemption or self-  
15 insurance as authorized pursuant to the workers' compensation act;

16 (3) maintain an active status of a corporation or registration as a  
17 foreign corporation, a limited liability company or registration as a foreign  
18 limited liability company, a limited liability partnership registration or

29 (7) file and pay all taxes when due in this state.

30 (e) The attorney general shall send a written notice to the person  
31 when such person's registration is not in good standing. Notification shall  
32 be deemed sufficient if mailed, via first class mail, to the address listed in  
33 the last registration or renewal form filed by the applicant. Any roofing  
34 contractor who has been notified by the attorney general that such person's  
35 registration is not in good standing shall cease soliciting or entering new  
36 roofing services and projects as of the date of such notification. The  
37 roofing contractor shall be allowed to complete roofing projects where  
38 actual physical work has begun prior to the date of issuance of the notice  
39 that such person's registration is not in good standing. If the roofing

41 satisfactory to the attorney general within 30 days of the date of the notice,  
42 or if the roofing contractor solicits or enters into new roofing services  
43 contracts or projects while the roofing contractor's registration certificate is

1 not in good standing, or while such registration certificate is suspended or  
2 revoked, the roofing contractor shall be in violation of the provisions of  
3 this act. Any registration certificate that is not in good standing shall be  
4 revoked 30 days from the date of notification to the roofing contractor that  
5 the registration is not in good standing. Notice of revocation shall be  
6 deemed sufficient if mailed, via first class mail, to the address listed in the  
7 last application, registration or renewal form filed by the applicant. The  
8 roofing contractor may reinstate such roofing contractor's registration  
9 certificate to good standing by paying the required fees provided in section  
10 12, and amendments thereto, and complying with all other requirements  
11 for issuance of a registration in good standing.

12 Any person aggrieved by the decision of the attorney general to  
13 suspend or revoke a registration certificate pursuant to this section may  
14 appeal such decision as provided in the administrative procedure act.

15 Sec. 6. (a) There shall be a question on all application and renewal  
16 forms requiring the applicant to answer under oath whether or not the  
17 applicant has been convicted of a felony offense in this state, another state,  
18 or any other place, and the nature of that offense upon which a conviction  
19 was imposed.

20 (b) Conviction of an offense shall not disqualify a person from  
21 registration as a roofing contractor under this act, provided the applicant  
22 has truthfully disclosed the conviction and nature of the offense.

23 (c) When deemed appropriate, the attorney general may conduct a  
24 criminal history records search or background check on any applicant or  
25 registered roofing contractor and may investigate the information  
26 submitted on a roofing contractor application or renewal form, provided no  
27 adverse action may be taken against the person until the person has been  
28 notified and given an opportunity to respond in writing.

29 Sec. 7. The holder of a roofing contractor registration certificate may  
30 engage in the roofing business within this state pursuant to the provisions  
31 of this act, and subject to the following limitations:

32 (a) A roofing contractor's registration certificate number shall be valid  
33 and in good standing at the time of soliciting a project and during  
34 subsequent job performance;

35 (b) a roofing contractor's registration certificate number shall be  
36 submitted when applying for any permit issued by the state, or any of its  
37 political subdivisions, for commercial or residential roofing services or  
38 projects, if a permit is required by such authority, and shall be written upon  
39 each permit issued;

40 (c) a roofing contractor's registration certificate cannot be shared or  
41 used by any other individual or business entity, except that a business firm,  
42 partnership, association, corporation, limited liability company or other  
43 group or combination thereof acting as a unit may be granted a single

1 roofing registration certificate number for use by designated roofing  
2 contractors acting as agents for the business entity when the application for  
3 registration certificate contained sufficient information on each member,  
4 partner, officer and agent, and the attorney general issued a single  
5 certificate number to such persons as a business unit;

6 (d) upon any change to the name, address, business entity or resident  
7 agent of a roofing contractor or upon adjudication by a court of competent  
8 jurisdiction for a violation of this act or an act or omission specified in  
9 subsection (a) of section 13, and amendments thereto, the attorney general  
10 shall be notified in writing;

11 (e) a roofing contractor shall comply with all state laws and local  
12 ordinances; and

13 (f) a roofing contractor must pay taxes due in this state.

14 Sec. 8. (a) At the time of making application for a roofing contractor  
15 registration certificate pursuant to this act, the applicant shall pay to the  
16 attorney general a fee to be set by the attorney general, which shall not  
17 exceed \$500 for the annual registration certificate.

18 (b) There is hereby established in the state treasury the roofing  
19 contractor registration fund to be administered by the attorney general. All  
20 moneys received by the attorney general from fees, charges or penalties  
21 shall be remitted to the state treasurer in accordance with the provisions of  
22 K.S.A. 75-4215, and amendments thereto, who shall deposit the entire  
23 amount thereof in the state treasury to the credit of the roofing contractor  
24 registration fee fund. All expenditures from such fund shall be made in  
25 accordance with appropriation acts upon warrants of the attorney general  
26 and the director of accounts and reports issued pursuant to vouchers  
27 approved by the attorney general or the attorney general's designee. All  
28 moneys credited to the roofing contractor registration fee fund shall be  
29 expended for the administration of the duties, functions and operating  
30 expenses of the roofing contractor registration act.

31 (c) On or before the 10<sup>th</sup> of each month, the director of accounts and  
32 reports shall transfer from the state general fund to the roofing contractor  
33 registration fee fund established in subsection (a) interest earnings based  
34 on:

35 (1) The average daily balance of money in the roofing contractor  
36 registration fee fund for the preceding month; and

37 (2) the net earnings rate of the pooled money investment fund  
38 portfolio for the preceding month.

39 (d) The fee to be submitted with an application for a roofing  
40 contractor registration certificate may be prorated as set by the attorney  
41 general. Unless prorated at the time of initial registration, fees shall be  
42 paid in full at the time an application for a registration certificate is filed  
43 and such registration certificate shall expire on June 30 of each year.

1 (c) An annual renewal fee for renewal of a roofing contractor  
2 registration certificate shall be set by the attorney general. Such renewal  
3 fee shall not exceed \$500.

4 Sec. 9. (a) The roofing contractor registration act shall not apply to:

5 (1) An actual owner of residential or farm property who physically  
6 performs, or has employees who perform, roofing services including,  
7 construction, installation, renovation, repair, maintenance, alteration,  
8 waterproofing or removal of materials or structures on such owner's own  
9 dwelling or another structure located on the residential or farm property  
10 owned by such person without the assistance of any registered roofing  
11 contractor;

12 (2) any authorized employee, representative or representatives of the  
13 United States government, the state of Kansas, or any county, municipality,  
14 or other political subdivision of this state;

15 (3) any person who furnishes any fabricated or finished product,  
16 material, or article of merchandise which is not incorporated into or  
17 attached to real property by such person so as to become affixed thereto;

18 (4) any person employed by a manufactured home and modular home  
19 manufacturer while performing services and work for the manufactured  
20 home and modular home manufacturer;

21 (5) any person registered as a home inspector pursuant to K.S.A. 58-  
22 4501 et seq., and amendments thereto, while performing functions  
23 pursuant to that act;

24 (6) any person employed by a manufactured home dealer while acting  
25 within the scope of that license;

26 (7) any person employed as a manufactured home installer while  
27 acting within the scope of that license; and

28 ~~[(8) any person having the necessary technical knowledge to properly  
29 plan and supervise the erection, remodel or addition to any building not  
30 exceeding three stories in height and nonstructural remodeling of any  
31 building.]~~

32 (b) Any administrative or governing body with authority to enter into  
33 public contracts shall require individual roofing contractor registration for  
34 purposes of such persons submitting or entering into any bid or contract.

35 Sec. 10. Within 60 calendar days from the date of application, the  
36 attorney general shall either issue or deny the roofing contractor  
37 registration certificate. No registration certificate shall be issued to an  
38 applicant until the attorney general receives all documentation and fees  
39 necessary to obtain a registration certificate. The registration certificate  
40 issued on an original application entitles the person to act as a roofing  
41 contractor within this state, subject to the limitations of this act, until the  
42 expiration of the then current fiscal year ending June 30, except that an  
43 initial registration certificate issued in May or June is valid until June 30 of

1 the subsequent year.

2 Sec. 11. Not later than 10 days after the date of a change in a roofing  
3 contractor's name, address or legal service agent, or upon a registered  
4 roofing contractor's ceasing business as a roofing contractor, the person  
5 shall notify the attorney general of the change on a form provided by the  
6 attorney general. A change of name or address shall be accompanied by a  
7 fee set by the attorney general not to exceed \$25. No person shall change  
8 such person's name under an active registration certificate if the change is  
9 associated with a change in the legal status of the business entity other  
10 than a change in marital status. Doing business under a new business name  
11 or a change in legal status of a business requires issuance of a new  
12 registration certificate. When a registered roofing contractor ceases to be  
13 active as a roofing contractor, the contractor shall notify the attorney  
14 general within 10 days and the attorney general shall suspend the  
15 registration certificate of such contractor as soon as practical after  
16 receiving the notification.

17 Sec. 12. (a) (1) Any roofing contractor registration certificate issued  
18 under this act may be renewed for each successive fiscal year by obtaining  
19 from the attorney general a certificate of renewal. To obtain a certificate of  
20 renewal, the person shall file with the attorney general a renewal  
21 application by June 30 and pay the renewal fee. The application for  
22 renewal shall require statements under oath that the applicant has or has  
23 not been convicted of any felony offense, and the nature of such offense,  
24 since issuance of the prior registration certificate, and whether or not the  
25 applicant has been adjudicated by a court of competent jurisdiction for any  
26 violation of this act or any act or omission specified in subsection (a) of  
27 section 13, and amendments thereto.

28 (2) The applicant shall include with the renewal application a copy of  
29 the certificate of liability insurance, proof of workers' compensation  
30 coverage, unless exempt or self-insured under the workers' compensation  
31 act, and, if applicable, a copy of the current registration certificate required  
32 by law for roofing contractors and a current tax clearance certificate or  
33 letter from the Kansas department of revenue.

34 (b) The attorney general shall refuse to renew a roofing contractor's  
35 registration certificate for any reason stated in subsection (b) of section 5,  
36 and amendments thereto. The attorney general shall notify the applicant in  
37 writing if the attorney general denies the renewal as provided in subsection  
38 (c) of section 5, and amendments thereto.

39 (c) If any roofing contractor fails to file a renewal application by the  
40 June 30 deadline, that contractor's registration certificate shall be deemed  
41 not to be in good standing. A roofing contractor has a 30-day grace period  
42 after June 30 to renew such registration certificate without a late fee. The  
43 late fee shall be set by the attorney general but shall not exceed \$300. If

1 the certificate is not renewed before July 31, the certificate shall be  
2 revoked.

3 (d) (1) A roofing contractor desiring to renew a registration certificate  
4 that has been suspended for any cause provided in this act prior to the June  
5 30 annual renewal date shall be assessed a fee equal to twice the amount of  
6 the fee established by subsection (c) of section 8, and amendments thereto.

7 (2) The attorney general shall assess a reinstatement fee in an amount  
8 to be set by the attorney general not to exceed \$500 plus the fee  
9 established by section 8, and amendments thereto, for any registration  
10 certificate that has been revoked for any cause provided in this act.

11 (3) A roofing contractor submitting an application for a registration  
12 certificate after suspension or revocation of that contractor's registration  
13 certificate must be otherwise eligible for registration under this act.

14 (e) The attorney general shall include a registration status notation in  
15 a roofing contractor's record if the status of registration changes from  
16 active and valid to not in good standing, denied, suspended or revoked.

17 Sec. 13. (a) No roofing contractor or any person providing services as  
18 a roofing contractor shall:

19 (1) Abandon a roofing contract without legal grounds after a deposit  
20 of money or other consideration has been paid;

21 (2) divert any funds or property entrusted to a roofing contractor;

22 (3) engage in any fraudulent or deceptive acts or practices or  
23 misrepresentation of products, services or qualifications as a roofing  
24 contractor;

25 (4) make a false or misleading statement in an application for a  
26 roofing contractor registration certificate or renewal application or in  
27 soliciting a contract for roofing services;

28 (5) violate any judgment or order by a court of competent jurisdiction  
29 against the roofing contractor for a violation of the provisions of this act;

30 (6) engage in work without a valid registration certificate as required  
31 for roofing contractors pursuant to this act or performing roofing services  
32 during any period when the roofing contractor's registration certificate is  
33 denied, suspended or revoked;

34 (7) engage in roofing services without obtaining a proper permit as  
35 may be required by any state or local authority;

36 (8) fail to comply with any tax laws authorized by the state or any of  
37 its political subdivisions;

38 (9) damage or injure any person or property while performing roofing  
39 services under a valid roofing contractor registration certificate for which  
40 the roofing contractor's liability insurance or workers' compensation  
41 coverage was inadequate; or

42 (10) fail to comply with any provision of this act or any rule and  
43 regulation adopted thereunder.

1 (b) Any person may file a duly verified complaint with the attorney  
2 general alleging one or more violations of subsection (a). The complaint  
3 shall be on a form approved by the attorney general and shall set forth the  
4 alleged act or omission stated in subsection (a), and a statement of  
5 sufficient facts upon which a reasonable person could conclude that the act  
6 or omission specified in subsection (a) has been committed. Nothing in  
7 this section shall be construed to require the complainant to first file a  
8 complaint with the attorney general before seeking relief or remedies  
9 allowed by law.

10 (c) A complaint received by the attorney general as provided in this  
11 section may be investigated by the attorney general or referred to any  
12 county or district attorney for appropriate disposition or investigation. The  
13 attorney general is hereby authorized to:

14 (1) Make investigations and examinations of the registrant's  
15 operations, books and records as the attorney general deems necessary for  
16 the protection of the public and control access to any documents and  
17 records of the licensee or registrant under examination or investigation;

18 (2) charge reasonable costs of investigation, examination and  
19 administration of this act, to be paid by the applicant, licensee or  
20 registrant;

21 (3) exchange any information regarding the administration of this act  
22 with any agency of the United States or any state or political subdivision  
23 thereof which regulates the licensee or registrant or administers statutes,  
24 rules and regulations or programs related to the roofing business, and to  
25 enter into information-sharing arrangements with other governmental  
26 agencies or associations representing governmental agencies which are  
27 deemed necessary or beneficial to the administration of this act;

28 (4) disclose to any person or entity that an applicant's, licensee's or  
29 registrant's application, license or registration certificate has been denied,  
30 suspended, revoked or refused renewal;

31 (5) require or permit any person to file a written statement, under oath  
32 or otherwise as the attorney general may direct, setting forth all the facts  
33 and circumstances concerning any apparent violation of this act, or any  
34 rule and regulation promulgated thereunder or any order issued pursuant to  
35 this act;

36 (6) receive, as a condition in settlement of any investigation or  
37 examination, a payment designated for the roofing contractor registration  
38 fee fund as directed by the attorney general;

39 (7) refer such evidence as may be available concerning any violation  
40 of this act or of any rule and regulation or order hereunder to the proper  
41 county or district attorney, who may in the attorney general's discretion,  
42 with or without such a referral, institute the appropriate criminal  
43 proceedings under this act;

1 (8) establish relationships or contracts with any other government  
2 programs which require the licensing or registration of roofing contractors  
3 or other entities to collect and maintain records and process transaction  
4 fees or other fees related to applicants, licensees, registrants or other  
5 persons subject to this act and to take such other actions as may be  
6 reasonably necessary to facilitate cooperation between such governmental  
7 entities or agencies and industry trade associations. The attorney general  
8 shall regularly report violations of law, as well as enforcement actions and  
9 other relevant information to any multi-state or nationwide licensing  
10 system and registry; and

11 (9) require any registrant to file with any such roofing contractor  
12 licensing system or registry in the form prescribed by the attorney general  
13 or the attorney general's designee.

14 (d) For the purpose of any examination, investigation or proceeding  
15 under this act, the attorney general or any officer designated by the  
16 attorney general may administer oaths and affirmations, subpoena  
17 witnesses, compel such witnesses' attendance, adduce evidence and require  
18 the production of any matter which is relevant to the examination or  
19 investigation, including the existence, description, nature, custody,

8 process against the contractor which is served upon the secretary of state  
9 shall be of the same legal force and effect as if served upon the contractor

14 include a notation for any conviction of a criminal violation in this state,  
15 another state, or the United States when disclosed by a criminal history

21 contractor by the attorney general, the state, or any of their respective  
22 agents, officers, employees or assigns.

23 Sec. 17. This act shall be construed to be in addition to, and not in

25 in this state, and further, this act shall not be deemed to conflict with or  
26 affect the authority of any state or local agency, board or commission  
27 whose duty and authority is to administer or enforce any law or ordinance  
28 or to establish, administer or enforce any policy, rule, qualification or  
29 standard for any trade or profession.
