RE: Senate Bill 6

---

---

Thank you Mr. Chairman and Members of the Committee. I am Donna Shelite and I serve as the Director of the Division of Motor Vehicles, Kansas Department of Revenue.

Senate Bill 6 re-enacts the process of a driver applying to the Division of Vehicles for restricted driving privileges in lieu of suspension relating to failure to comply with traffic citations. If passed, the Division can administer with existing staff and the necessary programming is already completed in the current driver's license system. Likewise, the process has already been programmed into the new motor vehicle system yet to be implemented.

In conclusion, the Division stands ready to carry out Senate Bill 6 without further costs or resources if the bill successfully passes.

Thank you for the opportunity to speak on this bill and I stand for questions.
