As we are transitioning state Medicaid into KanCare, we are committed to ensuring that consumers, providers, and vested parties have access to multiple avenues of support when questions, comments, or concerns arise.

To help assist you on any KanCare issues that may arise in your district, I have appointed Ren Mullinix as our KanCare legislative liaison. Ren, as an extension of my office, will make sure that concerns are addressed, understood, and resolved in a timely and efficient manner. Please use him as your direct contact whenever a KanCare matter comes up. His contact information is below:
