SENATE CHAMBER

MADAM PRESIDENT:

I move to amend HB 2084, as amended by Senate Committee, on page 1, by striking all in lines 7 through 34;

By striking all on pages 2 through 36;

On page 37, by striking all in lines 1 through 27, and inserting:

"New Section 1. (a) (1) Except as provided in subsection (a)(2), commencing with fiscal year 2014, in any fiscal year in which the amount of selected actual state general fund receipts from such fiscal year exceeds the selected actual state general fund receipts for the immediately preceding fiscal year by more than 2%, the director of legislative research shall certify such excess amount to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-

32,110, and amendments thereto, as required by this section;

(B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

(2) In any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102% or less than the selected actual state general fund receipts from the

immediately preceding fiscal year, the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

(c) As used in this section, "selected actual state general fund receipts" means receipts from the following taxes and fees: Individual and corporation income taxes imposed under K.S.A. 79-32,110, and amendments thereto, financial institutions privilege taxes imposed under article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, retail sales taxes imposed under K.S.A. 79-3601 et seq., and amendments thereto, compensating use taxes imposed under K.S.A. 79-3701 et seq., and amendments thereto, cigarette and tobacco product taxes imposed under K.S.A. 79-3301 et seq., and amendments thereto, cereal malt beverage and liquor gallonage taxes imposed under K.S.A. 41-501 et seq., and amendments thereto, liquor enforcement taxes imposed under K.S.A. 79-4101 et seq., and amendments thereto, liquor drink taxes imposed under K.S.A. 79-41a01 et seq., and amendments thereto, corporation franchise taxes imposed under K.S.A. 79-5401, and amendments thereto, annual franchise fees charged pursuant to law and mineral severance taxes imposed under K.S.A. 79-4216 et seq., and amendments thereto.

(b) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer and the taxpayer's spouse if married filing jointly, must be domiciled in this state. (e) The credit allowed under this provision shall be applied against the taxpayer's income tax liability after all other credits allowed under the income tax act. It shall not be refundable, and may not be carried forward.

of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or
