Sec. 2. K.S.A. 2013 Supp. 72-8814 is hereby amended to read as follows: 72-8814. (a) There is hereby established in the state treasury the school district capital outlay state aid fund. Such fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) In each school year, each school district which levies a tax pursuant to K.S.A. 72-8801 et seq., and amendments thereto, shall be entitled to receive payment from the school district capital outlay state aid fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

the state and round such amount to the nearest \$1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

Except as provided by K.S.A. 2013 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;

(6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive

from the school district capital outlay state aid fund in the school year.

(c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts, ~~except that no transfers shall be made from the state general fund to the school district capital outlay state aid fund during the fiscal years ending June 30, 2013, June 30, 2014, June 30, 2015, or June 30, 2016.~~ All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.
