In accordance with KSA 75-3715a, the following fiscal note concerning HB 2309 is respectfully submitted to your committee.

The bill provides a definition of "veteran" and requires the Division to adopt any rules and regulations necessary to carry out these provisions. The Department would also be required to release motor vehicle records for the purpose of assisting the Kansas Commission on Veterans Affairs in notifying veterans of the benefits, facilities, and services available to veterans.
