The Honorable Richard Carlson, Chairperson
 House Committee on Taxation
 Statehouse, Room 285-N
 Topeka, Kansas 66612

Dear Representative Carlson:

SUBJECT: Fiscal Note for HB 2328 by Representative Sawyer, at al.

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2328 is respectfully submitted to your committee.

Under current law, tax year 2012 is the last tax year that an eligible renter would be allowed to claim the Homestead Property Tax Refund on their Kansas individual income tax return. HB 2328 would reinstate the Homestead Property Tax Refund for renters for tax year 2013 and in each future tax year.

Estimated State Fiscal Effect

The Department of Revenue estimates that HB 2328 would reduce State General Fund revenues by \$13.0 million in FY 2014 and in each future fiscal year. The decrease in revenues and how the November 6, 2012 consensus revenue estimate for FY 2014 would be affected are shown in the following table:

To formulate these estimates, the Department of Revenue reviewed data on the Homestead Property Tax Refund. The Department indicates that the claim form and instructions for the Homestead Property Tax Refund are currently available for tax year 2012 and could be updated for tax year 2013 within existing resources if HB 2328 is passed. The bill would require the Department to review and process Homestead Property Tax Refund claims from renters in FY 2014. If the Department determines that the costs associated with reviewing and processing Homestead Property Tax Refund claims from renters in FY 2014 cannot be absorbed within existing resources, a revised fiscal note will be prepared. Any fiscal effect associated with HB 2328 is not reflected in *The FY 2014 Governor's Budget Report*.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
