Dear Representative Crum:

SUBJECT: Fiscal Note for HB 2520 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2520 is respectfully submitted to your committee.

HB 2520 would amend sections of the Kansas Podiatry Act. The bill would broaden the scope of practice for podiatrists to include, in addition to the foot, treatment of the ankle and tendons that insert into the foot. The bill also includes a revised definition for podiatry that means the diagnosis and treatment of all illnesses of the human foot, including the ankle and tendons which insert into the foot. HB 2520 would prohibit podiatrists from performing surgery of the ankle unless board certified in foot and ankle surgery by the American Board of Podiatric Surgery, or under the direct supervision of a person licensed to practice medicine and surgery who is authorized to perform surgery of the ankle. Any surgery of the ankle by a podiatrist could only be performed in a medical care facility.
