The Honorable Larry Powell, Chairperson
Senate Committee on Natural Resources
Statehouse, Room 237-E
Topeka, Kansas 66612

Dear Senator Powell:

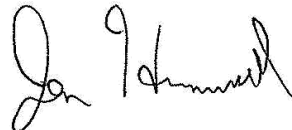

SUBJECT: Fiscal Note for SB 272 by Senate Committee on Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 272 is respectfully submitted to your committee.

Current law limits the total acreage licensed as controlled shooting areas in a county to 3.0 percent or less of the total acreage in the county. SB 272 would remove that limitation.

According to the Kansas Department of Wildlife, Parks and Tourism, passage of SB 272 could increase the number of annual controlled shooting area licenses within the state, which would result in increased revenue to the agency's Wildlife Fee Fund. The agency is unable to estimate what that increase would amount to. Any fiscal effect associated with SB 272 is not reflected in *The FY 2015 Governor's Budget Report*.

Sincerely,

Jon Hummell,
Interim Director of the Budget
