The Honorable Jeff King, Chairperson
Senate Committee on Judiciary
Statehouse, Room 341-E
Topeka, Kansas 66612

Dear Senator King:

SUBJECT: Fiscal Note for SB 42 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 42 is respectfully submitted to your committee.

SB 42 would limit the personal injury or property damage liability for an architect who voluntarily provides services and options for consideration for sheltering students in cases of emergencies at a structure located on school property. The bill would apply to instances when the request for assistance is made by a local board of education member; a superintendent, or other school district employee; or a person who has authority over an accredited nonpublic school facility.

The Board of Technical Professions and the State Department of Education both indicate that passage of SB 42 would have no fiscal effect.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
