

January 31, 2013

The Honorable Mike Petersen, Chairperson  
Senate Committee on Transportation  
Statehouse, Room 345-S  
Topeka, Kansas 66612

Dear Senator Petersen:

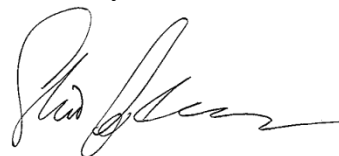

**SUBJECT:** Fiscal Note for SB 68 by Senate Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning SB 68 is respectfully submitted to your committee.

Current law requires driver's license examination stations in every county or at a reasonably convenient location for the issuance of commercial driver's licenses. SB 68 would amend this statute to remove language which specifies the issuance of commercial driver's licenses.

The Department of Revenue indicates that removing the language which determines the location of driver's license examination stations required for the issuance of commercial driver's licenses would give the State Director of Motor Vehicles the ability to review existing driver's license examination stations for consolidation and realize potential savings. The Department indicates that because it is not known what consolidations would occur with the passage of SB 68, a precise fiscal effect of estimated savings cannot be provided.

Sincerely,

Steven J. Anderson, CPA, MBA  
Director of the Budget

cc: Steve Neske, Revenue
