12 *Be it enacted by the Legislature of the State of Kansas:*

13 Section 1. K.S.A. 2013 Supp. 8-1001 is hereby amended to read as
14 follows: 8-1001. (a) Any person who operates or attempts to operate a
15 vehicle within this state is deemed to have given consent, subject to the
16 provisions of this article, to submit to one or more tests of the person's
17 blood, breath, urine or other bodily substance to determine the presence of
18 alcohol or drugs. The testing deemed consented to herein shall include all
19 quantitative and qualitative tests for alcohol and drugs. A person who is
20 dead or unconscious shall be deemed not to have withdrawn the person's
21 consent to such test or tests, which shall be administered in the manner
22 provided by this section.

23 (b) A law enforcement officer shall request a person to submit to a
24 test or tests deemed consented to under subsection (a): (1) If, at the time of
25 the request, the officer has reasonable grounds to believe the person was
26 operating or attempting to operate a vehicle while under the influence of
27 alcohol or drugs, or both, or to believe that the person was driving a
28 commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments
29 thereto, while having alcohol or other drugs in such person's system, or
30 was under the age of 21 years and was operating or attempting to operate a
31 vehicle while having alcohol or other drugs in such person's system; and
32 one of the following conditions exists: (A) The person has been arrested or
33 otherwise taken into custody for any violation of any state statute, county
34 resolution or city ordinance; or (B) the person has been involved in a
35 vehicle accident or collision resulting in property damage or personal
36 injury other than serious injury; or (2) if the person was operating or

1 attempting to operate a vehicle and such vehicle has been involved in an
2 accident or collision resulting in serious injury or death of any person and
3 the operator could be cited for any traffic offense, as defined in K.S.A. 8-
4 2117, and amendments thereto. The traffic offense violation shall
5 constitute probable cause for purposes of paragraph (2). The test or tests
6 under paragraph (2) shall not be required if a law enforcement officer has
7 reasonable grounds to believe the actions of the operator did not contribute
8 to the accident or collision. The law enforcement officer directing
9 administration of the test or tests may act on personal knowledge or on the
10 basis of the collective information available to law enforcement officers
11 involved in the accident investigation or arrest.

12 (c) If a law enforcement officer requests a person to submit to a test
13 of blood under this section, the withdrawal of blood at the direction of the
14 officer may be performed only by: (1) A person licensed to practice
15 medicine and surgery, licensed as a ~~physician's~~ *physician* assistant, or a
16 person acting under the direction of any such licensed person; (2) a
17 registered nurse or a licensed practical nurse; (3) any qualified medical
18 technician, including, but not limited to, an emergency medical technician-
19 intermediate, mobile intensive care technician, an emergency medical
20 technician-intermediate defibrillator, an advanced emergency medical
21 technician or a paramedic, as those terms are defined in K.S.A. 65-6112,
22 and amendments thereto, authorized by medical protocol; or (4) a
23 phlebotomist.

24 (d) A law enforcement officer may direct a medical professional
25 described in this section to draw a sample of blood from a person:

26 (1) If the person has given consent and meets the requirements of
27 subsection (b);

28 (2) if medically unable to consent, if the person meets the
29 requirements of paragraph (2) of subsection (b); or

30 (3) if the person refuses to submit to and complete a test, if the person
31 meets the requirements of paragraph (2) of subsection (b).

32 (e) When so directed by a law enforcement officer through a written
33 statement, the medical professional shall withdraw the sample as soon as
34 practical and shall deliver the sample to the law enforcement officer or
35 another law enforcement officer as directed by the requesting law
36 enforcement officer as soon as practical, provided the collection of the
37 sample does not jeopardize the person's life, cause serious injury to the
38 person or seriously impede the person's medical assessment, care or
39 treatment. The medical professional authorized herein to withdraw the
40 blood and the medical care facility where the blood is drawn may act on
41 good faith that the requirements have been met for directing the
42 withdrawing of blood once presented with the written statement provided
43 for under this subsection. The medical professional shall not require the

1 person to sign any additional consent or waiver form. In such a case, the
2 person authorized to withdraw blood and the medical care facility shall not
3 be liable in any action alleging lack of consent or lack of informed
4 consent.

5 (f) Such sample or samples shall be an independent sample and not
6 be a portion of a sample collected for medical purposes. The person
7 collecting the blood sample shall complete the collection portion of a
8 document provided by law enforcement.

9 (g) If a person must be restrained to collect the sample pursuant to
10 this section, law enforcement shall be responsible for applying any such
11 restraint utilizing acceptable law enforcement restraint practices. The
12 restraint shall be effective in controlling the person in a manner not to
13 jeopardize the person's safety or that of the medical professional or
14 attending medical or health care staff during the drawing of the sample and
15 without interfering with medical treatment.

16 (h) A law enforcement officer may request a urine sample upon
17 meeting the requirements of paragraph (1) of subsection (b) and shall
18 request a urine sample upon meeting the requirements of paragraph (2) of
19 subsection (b).

20 (i) If a law enforcement officer requests a person to submit to a test of
21 urine under this section, the collection of the urine sample shall be
22 supervised by: (1) A person licensed to practice medicine and surgery,
23 licensed as a ~~physician's~~ *physician* assistant, or a person acting under the
24 direction of any such licensed person; (2) a registered nurse or a licensed
25 practical nurse; or (3) a law enforcement officer of the same sex as the
26 person being tested. The collection of the urine sample shall be conducted
27 out of the view of any person other than the persons supervising the
28 collection of the sample and the person being tested, unless the right to
29 privacy is waived by the person being tested. When possible, the
30 supervising person shall be a law enforcement officer. The results of
31 qualitative testing for drug presence shall be admissible in evidence and
32 questions of accuracy or reliability shall go to the weight rather than the
33 admissibility of the evidence. If the person is medically unable to provide
34 a urine sample in such manner due to the injuries or treatment of the
35 injuries, the same authorization and procedure as used for the collection of
36 blood in subsections (d) and (e) shall apply to the collection of a urine
37 sample.

38 (j) No law enforcement officer who is acting in accordance with this
39 section shall be liable in any civil or criminal proceeding involving the
40 action.

41 (k) Before a test or tests are administered under this section, the
42 person shall be given oral and written notice that:

43 (1) Kansas law requires the person to submit to and complete one or

1 more tests of breath, blood or urine to determine if the person is under the
2 influence of alcohol or drugs, or both;

3 (2) the opportunity to consent to or refuse a test is not a constitutional
4 right;

5 (3) there is no constitutional right to consult with an attorney
6 regarding whether to submit to testing;

7 (4) if the person refuses to submit to and complete any test of breath,
8 blood or urine hereafter requested by a law enforcement officer, the person
9 may be charged with a separate crime of refusing to submit to a test to
10 determine the presence of alcohol or drugs, which carries criminal
11 penalties that are greater than or equal to the criminal penalties for the
12 crime of driving under the influence, if such person has:

13 (A) Any prior test refusal as defined in K.S.A. 8-1013, and
14 amendments thereto, which occurred: (i) On or after July 1, 2001; and (ii)
15 when such person was 18 years of age or older; or

16 (B) any prior conviction for a violation of K.S.A. 8-1567 or 8-2,144,
17 and amendments thereto, or a violation of an ordinance of any city or
18 resolution of any county which prohibits the acts that such section
19 prohibits, or entering into a diversion agreement in lieu of further criminal
20 proceedings on a complaint alleging any such violations, which occurred:
21 (i) On or after July 1, 2001; and (ii) when such person was 18 years of age
22 or older;

23 (5) if the person refuses to submit to and complete any test of breath,
24 blood or urine hereafter requested by a law enforcement officer, the
25 person's driving privileges will be suspended for one year for the first or
26 subsequent occurrence;

27 (6) if the person submits to and completes the test or tests and the test
28 results show:

29 (A) An alcohol concentration of .08 or greater, the person's driving
30 privileges will be suspended for 30 days for the first occurrence and one
31 year for the second or subsequent occurrence; or

32 (B) an alcohol concentration of .15 or greater, the person's driving
33 privileges will be suspended for one year for the first or subsequent
34 occurrence;

35 (7) refusal to submit to testing may be used against the person at any
36 trial on a charge arising out of the operation or attempted operation of a
37 vehicle while under the influence of alcohol or drugs, or both;

38 (8) the results of the testing may be used against the person at any
39 trial on a charge arising out of the operation or attempted operation of a
40 vehicle while under the influence of alcohol or drugs, or both; and

41 (9) after the completion of the testing, the person has the right to
42 consult with an attorney and may secure additional testing, which, if
43 desired, should be done as soon as possible and is customarily available

1 from medical care facilities willing to conduct such testing.

2 (l) If a law enforcement officer has reasonable grounds to believe that
3 the person has been driving a commercial motor vehicle, as defined in
4 K.S.A. 8-2,128, and amendments thereto, while having alcohol or other
5 drugs in such person's system, the person shall also be provided the oral
6 and written notice pursuant to K.S.A. 8-2,145, and amendments thereto.
7 Any failure to give the notices required by K.S.A. 8-2,145, and
8 amendments thereto, shall not invalidate any action taken as a result of the
9 requirements of this section. If a law enforcement officer has reasonable
10 grounds to believe that the person has been operating or attempting to
11 operate a vehicle while having alcohol or other drugs in such person's
12 system and such person was under 21 years of age, the person also shall be
13 given the notices required by K.S.A. 8-1567a, and amendments thereto.
14 Any failure to give the notices required by K.S.A. 8-1567a, and
15 amendments thereto, shall not invalidate any action taken as a result of the
16 requirements of this section.

17 (m) After giving the foregoing information, a law enforcement officer
18 shall request the person to submit to testing. The selection of the test or
19 tests shall be made by the officer. If the test results show a blood or breath
20 alcohol concentration of .08 or greater, the person's driving privileges shall
21 be subject to suspension, or suspension and restriction, as provided in
22 K.S.A. 8-1002 and 8-1014, and amendments thereto.

23 (n) The person's refusal shall be admissible in evidence against the
24 person at any trial on a charge arising out of the alleged operation or
25 attempted operation of a vehicle while under the influence of alcohol or
26 drugs, or both. The person's refusal shall be admissible in evidence against
27 the person at any trial on a charge arising out of the alleged violation of
28 K.S.A. 2013 Supp. 8-1025, and amendments thereto.

29 (o) If a law enforcement officer had reasonable grounds to believe the
30 person had been driving a commercial motor vehicle, as defined in K.S.A.
31 8-2,128, and amendments thereto, and the test results show a blood or
32 breath alcohol concentration of .04 or greater, the person shall be
33 disqualified from driving a commercial motor vehicle, pursuant to K.S.A.
34 8-2,142, and amendments thereto. If a law enforcement officer had
35 reasonable grounds to believe the person had been driving a commercial
36 motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and
37 the test results show a blood or breath alcohol concentration of .08 or
38 greater, or the person refuses a test, the person's driving privileges shall be
39 subject to suspension, or suspension and restriction, pursuant to this
40 section, in addition to being disqualified from driving a commercial motor
41 vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

42 (p) An officer shall have probable cause to believe that the person
43 operated a vehicle while under the influence of alcohol or drugs, or both, if

1 the vehicle was operated by such person in such a manner as to have
2 caused the death of or serious injury to a person. In such event, such test or
3 tests may be made pursuant to a search warrant issued under the authority
4 of K.S.A. 22-2502, and amendments thereto, or without a search warrant
5 under the authority of K.S.A. 22-2501, and amendments thereto.

6 (q) Failure of a person to provide an adequate breath sample or
7 samples as directed shall constitute a refusal unless the person shows that
8 the failure was due to physical inability caused by a medical condition
9 unrelated to any ingested alcohol or drugs.

10 (r) It shall not be a defense that the person did not understand the
11 written or oral notice required by this section.

12 (s) No test results shall be suppressed because of technical
13 irregularities in the consent or notice required pursuant to this act.

14 (t) Nothing in this section shall be construed to limit the admissibility
15 at any trial of alcohol or drug concentration testing results obtained
16 pursuant to a search warrant.

17 (u) Upon the request of any person submitting to testing under this
18 section, a report of the results of the testing shall be made available to such
19 person.

20 (v) This act is remedial law and shall be liberally construed to
21 promote public health, safety and welfare.

22 (w) As used in this section, "serious injury" means a physical injury
23 to a person, as determined by law enforcement, which has the effect of,
