4 repealing the existing sections.

5  
6 *Be it enacted by the Legislature of the State of Kansas:*

7 New Section 1. (a) The provisions of this act shall be known and may  
8 be cited as the Kansas foster parents' bill of rights act.

9 (b) (1) The Kansas department for children and families and  
10 department of health and environment recognize that foster parents play an  
11 integral role in the state's effort to care for dependent children displaced  
12 from their homes. Foster parents have the right to be treated by the Kansas  
13 department for children and families, department of health and  
14 environment and other partners in the care of abused and neglected  
15 children with dignity, respect and trust as a provider of foster care. Foster  
16 parents shall treat all children in their care, each child's birth family and all  
17 members of the child professional team with dignity and respect.

18 (2) The department of health and environment shall provide written  
19 notification of the rights enumerated in this section to foster parents at the  
20 time of initial licensure and at the time of each licensure renewal following  
21 the initial licensure period.

22 (3) The Kansas department for children and families shall make its  
23 policies available to foster parents and the public by publishing the  
24 prevention and protection services policy procedure manual on the  
25 department's public website.

26 (c) (1) The Kansas department for children and families shall provide  
27 foster parents with pre-service training. The Kansas department for  
28 children and families, department of health and environment or the child  
29 placement agency shall provide training at appropriate intervals to meet  
30 mutually assessed needs of the child and to improve foster parent skills.

31 (2) The Kansas department for children and families shall provide to  
32 foster parents, prior to and during placement, information which is  
33 pertinent to the care and needs of the child and to protect the foster family  
34 to the extent allowed under state and federal law. The Kansas department  
35 for children and families shall provide foster parents information regarding  
36 the number of times a child has been removed and the reasons therefor, to

1 the extent permitted by law, and may also provide the names and phone  
2 numbers of the previous foster parents if the previous foster parents have  
3 authorized such release.

4 (3) The Kansas department for children and families will, when  
5 appropriate and feasible, arrange for pre-placement visits between foster  
6 children and family foster home parents.

7 (4) Foster parents may ask questions about the child's case plan,  
8 encourage a placement or refuse a placement. In the event foster parents  
9 refuse a placement, such refusal shall not serve as the sole determining  
10 factor with respect to a subsequent placement of a child with such foster  
11 parents when such placement is in the best interests of the child. After a  
12 placement of a child with foster parents, the Kansas department for

19 participate in such meetings and provide input concerning the case plan.  
20 Foster parents shall be informed by the Kansas department of health and  
21 environment concerning their licensure as a family foster home.

23 appropriate and feasible, establish reasonably accessible respite care for  
24 children in foster care for short periods of time, in consultation with the  
25 foster parents. Foster parents shall follow all policies and procedures  
26 established by the Kansas department for children and families for  
27 requesting and using respite care.

28 (7) Foster parents shall treat all information received from the Kansas  
29 department for children and families about the child and the child's family  
30 as confidential. Information necessary for the medical or psychiatric care  
31 of the child may be provided to the appropriate practitioners. Foster  
32 parents may share information necessary with school personnel in order to  
33 secure a safe and appropriate education for the child. Additionally, foster  
34 parents shall share information they may learn about the child and the  
35 child's family, and concerns that arise in the care of the child, with the  
36 caseworker and other members of the child professional team.

37 ~~(8) Recognizing that placement changes are difficult and detrimental~~  
38 ~~to the health and well-being of children, foster parents may request all~~  
39 ~~available information, whenever possible, before deciding whether or not~~  
40 ~~to accept a child for placement.~~

41 (d) (1) Foster parents shall be permitted to continue the practice of  
42 their own family values and routines while respecting the child's cultural  
43 heritage. All discipline shall be consistent with state law and rules and

1 regulations. Visitations between the child and the child's siblings or  
2 biological family should be scheduled at a time that meets the needs of the  
3 child, the biological family members and the foster family, whenever  
4 possible. Recognizing that visitation is an important right of children in  
5 foster care, foster parents shall be flexible and cooperative with family  
6 visits. Recognizing the importance of a positive relationship between birth  
7 parents and foster parents, whenever possible, foster parents shall assist in  
8 assuring frequent and positive parent-child visitation by providing

11 (2) Foster parents shall provide care that is respectful of the child's  
12 cultural identity and needs. The Kansas department for children and  
13 families shall provide foster parents relevant information on specific  
14 religious or cultural practices of the child.

15 (3) Foster parents shall use discipline methods which are consistent  
16 with policies, rules and regulations adopted by the Kansas department for  
17 children and families and department of health and environment.

18 (e) (1) Upon request by a former foster parent, the department for  
19 children and families shall provide general information, if available, on the  
20 child's progress if the child is at the time of the request in the custody of  
21 the secretary for children and families and provision of such information is  
22 agreed to by the child and the child's placement.

23 (2) Recognizing the importance of placement stability to the health  
24 and well-being of children, foster parents shall be given 30 days' written  
25 notice of any plan to move a child in their care to a different placement in  
26 accordance with K.S.A. 2013 Supp. 38-2258, and amendments thereto.

27 (3) Foster parents have the right to be considered, when appropriate,  
28 as a placement option when a child who was formerly placed with the  
29 foster parents has re-entered the child welfare system.

30 (4) If a foster child becomes free for adoption and the foster parents  
31 desire to adopt the child, they shall inform the caseworker in a timely  
32 manner. If they do not choose to pursue adoption, foster parents shall make  
33 every effort to support and encourage the child's placement in a permanent  
34 home, including, but not limited to, providing information on the history  
35 and care needs of the child and accommodating transitional visitation.

36 (f) Foster parents shall be informed in advance of all court hearings  
37 and reviews pertaining to a child in their care, and shall be informed of  
38 their right to attend and participate as allowable by applicable state and  
39 federal law. Foster parents have the right to complete the foster parent  
40 court report form and submit such form to the court.

41 (g) (1) Foster parents have access to the appeals and grievance  
42 processes pursuant to state law and regulations and policies of the Kansas  
43 department for children and families and department of health and
