

## **Repeal of Outdated Statutes Concerning Juveniles; HB 2144**

**HB 2144** repeals outdated statutes concerning juveniles. Specifically, the bill removes an Open Records Act exception concerning confidential reports of foster parents summarizing the adjustment, progress, and condition of a juvenile offender placed in the foster parent's home. It also repeals a statute concerning jurisdiction and placement of juvenile offenders with the Department for Children and Families or the Juvenile Justice Authority, and a statute concerning records of certain juveniles in the possession of law enforcement and municipal courts.
