

Eisenhower Foundation License Plates; HB 2176

HB 2176 authorizes Eisenhower Foundation license plates for passenger vehicles, small trucks, and motorcycles, to be issued on and after January 1, 2014. Anyone who wishes to receive an Eisenhower Foundation (Foundation) license plate would pay an annual royalty amount of at least \$25 but not more than \$100 to the Foundation for the use of its logo, in addition to other statutory license plate fees. Such payment may be made directly to the Foundation or through the county treasurer. The bill requires the Foundation to pay the initial costs of developing the license plate.
