

## **Electronic Filing of Audit Reports by Municipalities; HB 2591**

**HB 2591** modifies an audit report filing provision to require municipal audit reports be filed electronically with the Secretary of Administration, or the Secretary's designee, on or after January 1, 2015. Currently, those reports may be filed as hard copy with the Director of Accounts and Reports. The bill also requires all audit reports include the circular A-133 audit report described in Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," where required under the provisions of the federal Single Audit Act, and any other audit-related documents deemed necessary by the Secretary of Administration. The bill further modifies the law to eliminate requirements for municipalities to submit audit reports to any state agency other than the Department of Administration.
