

Review of Eligibility for License Plates for People with Disabilities; HB 2727

HB 2727 replaces language requiring review every three years of eligibility for a special license plate or placard issued to a person with a disability or a person responsible for the transportation of a person with a disability. The new language requires the Secretary of Revenue to issue rules and regulations on eligibility determination that comply with federal requirements in 23 CFR § 1235.4, which includes a requirement for periodic renewal of placards.
