

SESSION OF 2013

**SUPPLEMENTAL NOTE ON SUBSTITUTE FOR HOUSE
BILL NO. 2001**

As Recommended by House Committee on
Veterans, Military and Homeland Security

Brief*

Sub. for HB 2001 would move the Kansas National Guard Educational Assistance Act from Chapter 74 (Higher Education and Board of Regents) to Chapter 48 (Defense and Public Safety) of the Kansas Statutes Annotated.

The bill also would replace language relating to an expired federal program with an updated reference to "federal tuition assistance."

Background

The bill was introduced by the Legislative Post Audit Committee and contained the updated reference regarding the expired federal tuition program.

The House Committee on Veterans, Military, and Homeland Security recommended the substitute bill, which maintains the change found in the introduced version of the bill and also moves the Kansas National Guard Educational Assistance Act in the Kansas statutes.

The fiscal note provided by the Division of the Budget on the original bill indicates passage of the bill would have no fiscal impact.
