

SESSION OF 2013

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2115**

As Amended by Senate Committee on Judiciary

**Brief\***

HB 2115 would amend provisions concerning temporary judicial employment of retired judges to remove requirements that a retired judge enter into a written agreement for such employment with the Kansas Supreme Court either before retirement or within 5 years after retirement and within 30 days before the judge's retirement anniversary. The bill also would extend from 12 to 15, the aggregated number of years a retired judge may enter into agreements for temporary judicial employment.

**Background**

In the House Committee on Judiciary, a representative of the Chief Justice appeared in support of the bill. No others offered testimony.

The same conferee appeared in support of the bill in the Senate Committee on Judiciary.

The Senate Committee extended from 12 to 15, the aggregated number of years a retired judge may enter into agreements for temporary judicial employment.

The fiscal note provided by the Division of the Budget indicates passage of the bill, as introduced, would have no fiscal effect on the Judicial Branch.
