As Amended by House Committee on Elections

**Brief\***

HB 2314 would amend existing state lobbying laws. The bill would make changes to laws governing what a state officer, state employee, candidate for state office, or state officer elect may accept, as well as what a person with a special interest can offer. The bill would raise the limit of the aggregate value of hospitality in the form of recreation that could be offered or accepted in any calendar year from \$100 to \$500. Transportation by ground conveyance within the State of Kansas would no longer be considered a gift.

The bill also would increase, from \$25 to \$50, the price of a free or discounted meal that could be accepted by a member of the executive branch from a source outside of state government.

Finally, the bill would amend reporting requirements for lobbyists by increasing, from \$2 to \$5, the limit on individual expenditures exempted from reporting requirements.

**Background**

Representatives from Whitney B. Damron, P.A. and the Kansas Grain and Feed Association testified in support of the bill at the House Committee hearing. expenditures. Capitol Advantage, LLC provided written testimony in support of the bill.

The Executive Director of Governmental Ethics Commission testified as a neutral on the bill. She stated the Commission likely would oppose the increase in value of individual expenditures that would not have to be reported by lobbyists. The Executive Director also stated the Commission likely would not find the increase problematic if the language was changed to require aggregate reporting of such expenditures.

The House Committee on Elections amended the bill by removing language exempting spouses of legislators and legislative candidates from the dollar limitation for hospitality in the form of recreation. The Committee also amended the the bill by reducing the value of exempt individual expenditures from \$15 to \$5.

According to the fiscal note on the original bill, passage of the bill would have no direct fiscal effect on the state budget.
