

SESSION OF 2014

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2480**

As Amended by House Committee on Utilities  
and Telecommunications

**Brief\***

HB 2480 would repeal obsolete statutes regarding TeleKansas I.

**Background**

The Kansas Corporation Commission (KCC) requested introduction of the bill, which its representative described as a clean-up bill. In the House Committee on Utilities and Telecommunications hearing, a representative of the KCC explained TeleKansas I was a regulatory plan adopted in 1990 applicable to Southwestern Bell. A KCC order in 1999 concluded all requirements of TeleKansas I had been met.

There was no testimony in opposition to the bill, nor any neutral testimony.

The House Committee on Utilities and Telecommunications adopted a technical amendment to the bill.

The fiscal note submitted by the Division of the Budget indicated passage of the bill would have no fiscal effect on the KCC.
