

SESSION OF 2013

SUPPLEMENTAL NOTE ON SENATE BILL NO. 102

As Recommended by Senate Committee on
Federal and State Affairs

Brief*

SB 102 would direct the State Treasurer to submit to the Secretary of Administration or the Secretary's designee, instead of the Director of Accounts and Reports as currently required, a form listing daily deposits (the "daily cash sheet").

Background

At the Senate Committee hearing, testimony in support of the bill was presented by the Legislative Division of Post Audit. The representative from the Post Audit Division indicated the change in the bill was required because the position of Director of Accounts and Reports was eliminated in a Department of Administration reorganization. There was no opposition or neutral testimony on the bill.

The Senate Committee on Federal and State Affairs requested the bill be placed on the consent calendar.

The fiscal note provided by the Division of the Budget indicated enactment of the bill would have no fiscal effect.
