

SESSION OF 2014

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 366**

As Recommended by Senate Committee on  
Ways and Means

**Brief\***

SB 366 would authorize the Department of Wildlife, Parks and Tourism (KDWPT) to purchase a parcel of land of approximately 398 acres in Cherokee County.

The bill would be in effect upon publication in the *Kansas Register*.

**Background**

Representatives of KDWPT testified as proponents of the bill. Other proponents were representatives of The Nature Conservancy of Kansas and the Department of Health and Environment.

KSA 32-833 limits the standing authority of KDWPT to purchase land similar to the subject of this bill to 320 acres.

The fiscal note prepared by the Division of the Budget indicates this bill would increase expenditures by \$433,500 in FY 2014, all from Natural Resource Damage Assessment funds. While the bill might have a revenue impact due to increased hunting license sales, the amount could not be estimated.
