### Agency Request

The **agency** requests FY 2016 expenditures of \$121,709,894, including \$60,397,553 from the State General Fund. The request is an all funds decrease of \$4,630,333, or 3.7 percent, below the revised FY 2015 estimate, and a State General Fund increase of \$45,836,146, or 314.8 percent, above the revised FY 2015 estimate. The request includes decreased contractual service, commodities and capital outlay expenditures, partially offset by increased salaries and wages expenditures of \$1,111,062, or 2.0 percent, due to increased employer KPERs contributions rate and reduced salaries and wages shrinkage. The increased State General Fund amount is a replacement of revenue received from the State Highway Fund in the proceeding years, used predominately for agency administration and the motor vehicles program.

### Governor's Recommendation

The **Governor** recommends FY 2016 operating expenditures of \$118,670,574, including \$13,741,202 from the State General Fund. The recommendation is an all funds decrease of \$3,039,320, or 2.5 percent, including a State General Fund decrease of \$46,656,351, or 77.2 percent, below the agency's FY 2016 request. The all funds decrease is attributable to reduced employer contributions for state employee health insurance and a recommended 4.0 percent reduction in State General Fund and State Highway Fund expenditures. The State General Fund decrease is attributable to the Governor's recommendation that motor vehicle related

expenditures continue to be funded through a transfer from the State Highway Fund instead of the State General Fund.

### Senate Subcommittee Recommendation

The **Subcommittee** concurs with the Governor's recommendation.

### Senate Committee Recommendation

The **Committee** concurs with the Subcommittee's recommendation with the following notation:

1. The Department of Revenue FY 2016 budget should be further reviewed during the Omnibus session.
