

Agriculture/NR Budget Committee

Office of the State Bank Commissioner FY 2016:

HB 2530 Section 2 (b)

Motion to delete transfer of \$1.5 million, all from the Bank Commissioner Fee Fund, to the State General Fund in FY 2016. The Agriculture and Natural Resources Budget Committee suggests that we do not take this action at this time in light of policy and pending legal issues. The agency has the intent to decrease fees and continues to reduce this balance.
