MEMORANDUM

To: House committee on Appropriations
From: Daniel Yoza, Assistant Revisor
Date: March 3, 2016
Subject: House Bill 2573

House bill 2573 provides that the director of legislative administrative services, under the supervision of the legislative coordinating council, shall provide live audio streaming of legislative proceedings. This task is to be accomplished by cooperation with the information network of Kansas (INK).

The bill also amends K.S.A. 74-9302, which is the statute that explains the duties of INK. The amendment simply adds the provision of live streaming of legislative audio proceedings as one of the duties of INK.

The effective date of this bill is upon publication in the statute book.
