

Dr Larry Snyder: DVM - Ksu@prodigy.com

University Clinic, Topeka, Kansas

Stem accelerator, Topeka, Kansas 501(C) 3 for Stem Cell
Therapy and Research

This is a excellent Practitioner and Research Scientist

Liaison between the KSU-College of Veterinary Medicine, Human
Medical Doctors and the veterinary community. He can and is
making the case for a Research Annex as a potential for
economic development across medical disciplines -Veterinary and
Human, and business.
