Re: HB 2665

Rental Licensing

The bill being presented by Rep. Mark Hutton was discussed at our Feb. 25, 2016 Board meeting.

The Board was in complete agreement that we are opposed to this bill.

As an organization that works closely with our Codes Dept. and our Rental Licensing Dept., we have seen the improvements of the community rental properties. We are against taking steps backwards after experiencing the improvements we have witnessed with area rentals. We have found that most of the landlords also respect the inspections, along with the tenants feeling assured for a safe place to live and raise a family. Some of the inspections could result in life and death situations.

Please let it be recognized that Leavenworth Road Association is completely against the HB2665. This letter is written on behalf of our full board. Our board members listing is attached.

Sincerely,

Louetta Braswell

Exec. Director
