HB 2665

Our group is made up of 450+ citizens that have attended training classes conducted by our Kansas City Kansas Police Department and other leaders in the Community.

We have actually witnessed the change our Rental Licensing has made, not only in the structures of our City, but in a lower crime rate, less blight along with more landlords willing to care for the property they rent as a business or individual.

We are in agreement that we, as an organization, are completely against this HB2665. We have seen too much positive to even begin to understand what the advantage would be if this bill were to pass.

Sincerely,

Lou Braswell
Chairman
