

To the Honorable Ron Highland, Chair of the Education Committee,

Thank you for your time in reading this letter. I oppose Common Core in Kansas for several reasons, but I will only give you one. The federal government has no business in our local school systems whatsoever. The feds serve to complicate something rather than enhance it. I vehemently oppose communism. Always have and always will. This program should be called "commie core" instead. Please help HB 2292, the Local Control of Kansas Education Act become reality.

Thank you for your time,

Donald Cotter
