To Whom It May Concern:

At our regular meeting this evening, Thursday February 19th, 2015, The Sedgwick County Republican Party demonstrated our opposition to Common Core by voting overwhelmingly in favor of a Resolution supporting the Full Repeal of Common Core and Return to Local Control of Kansas Education.

Attached is full text of that Resolution and Resolutions by the Kansas Republican State Committee. We urge passage of HB 2292 out of committee, intact, without amendments.

Sincerely,

Todd Johnson, Chairman
Sedgwick County Republican Party
