Re: HB 2139 - Testimony - Proponent

We are writing to urge you to vote in favor of HB 2139.

The present law supporting in-state tuition for undocumented students is unfair and discriminatory. There are many other needy students that may even be more needy than the undocumented, what about them? Entering our country illegally should not be a ticket to a free education, and it is very expensive to taxpayers and the state.

Please vote in favor of HB 2139.

Sincerely,

Rod and Mary-Barbara McKay
