

HB 2233 Amendment

(g) Notwithstanding approval by the legislature, or by any legislative committee pursuant to subsection (b), of the submission of a state implementation plan to the environmental protection agency, further action by the secretary to implement or enforce the final approved state implementation plan is dependent upon the final adoption of the federal emission guidelines. If the federal emission guidelines are not adopted or are adopted and subsequently suspended, vacated, in whole or in part, or held to not be in accordance with the law, the secretary shall suspend or terminate, as appropriate, further action to implement or enforce the state implementation plan.
