Welcome to the Kansas Charitable Gaming website

House Bill 2155 creates the Kansas Charitable Gaming Act. Specific changes have been made to charitable bingo laws, as well as the purpose, regulation, licensure, taxation, and enforcement of charitable raffles as proposed by the bill. Charitable bingo is also included in this bill.

The changes for raffles came about because of a constitutional amendment that was approved by the voters of Kansas in November 2015. See more raffle information here.

Who Needs A Bingo License?

- Kansas law permits non-profit religious, educational, charitable, and fraternal and veterans organizations to conduct bingo games in which the players are charged for participation if the organization first obtains a bingo license from the Kansas Department of Revenue. No license is required if a bingo game sponsor offers free bingo games or merely encourages a voluntary contribution. Bingo licenses cost \$25 and are good for 12 months commencing on July 1 of each year.
- Kansas law requires that any person or business which leases facilities or premises to an organization for the conduct of bingo games on a daily basis or charges rent based upon the organization's revenue from bingo games must be registered and is subject to various restrictions. Bingo premises registration certificates cost \$100 and are good for twelve months commencing on July 1 of each year.
- Kansas law also requires that any person or business which sells disposable paper bingo faces or pull-tabs to an organization with a bingo license must be registered and is subject to various restrictions. Bingo distributor registration certificates cost \$500 and are good for twelve months commencing on July 1 of each year. A one-time cash bond of \$1,000 is also required.

Charitable Gaming Q & A:

How should organizations handle a raffle with a firearm as a prize?

The Kansas Department of Revenue recommends raffles containing firearms be finalized through a Federal Firearms Licensee (FFL). The check performed by the FFL protects both the charity and the winner by checking the ability of the winner to possess the firearm and the firearm itself. You may call the Bureau of Alcohol, Tobacco, Firearms and Explosives at 816-410-6000 and ask for industry operations if you have further questions regarding the FFL process.
