- Resource intensive
- Evidence based decisions
- Public protection and case integrity require evidence based decisions

Litigation

Goal:
Accountability
and remediation

Utilize the least restrictive yet effective means to effect the release of persons when evidence reveals any competency or conduct violations.

Forms of litigation for litigation:

- Depositions - gathering
- Discovery - gathering of evidence
- Depositions, medical records, billing
- Depositions, Federal Reserve, C.I. Service, etc.
- Deposition in another state

A yellow speech bubble with a white outline and a small tail pointing to the left. The word "Litigation" is written inside in a dark blue, serif font. The background is a light beige gradient.

Litigation

Goal:
Accountability
and remediation

Utilize the least restrictive yet effective means to affect the license of persons when evidence reveals any competence or conduct violations.

5 D's of Discipline for Litigation:

- Drugs/Alcohol - impairment
- Difficult results - standard of care (SOC)
- Deceit- application, medical records, billing
- Disastrous Personal Decisions - DUI, Sexual, abuse
- Discipline in another state

Lara-

I wanted to Thank You so much for all your help and hard work! I was so glad to have someone like you to go the extra mile and keep me up-to-date with everything. Thanks again for all you do!! Angie Kolich

THANK YOU

Hey Katy

Thank you so much for rushing to get Dr Nath's license reinstated. I truly appreciate that. He was able to start on time & no patients had to be turned away. Thank you!
