(c) Nothing in this code shall be construed to permit discrimination on the basis of disability.

(1) The disability of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability and harm to the child.

(2) In cases involving a parent with a disability, determinations made under this code shall consider the availability and use of accommodations for the disability, including adaptive equipment and support services.

(d) *Nothing in this code shall be construed to permit any person to compel a parent to medicate a child if the parent is acting in accordance with medical advice from a physician. The actions of a parent in such circumstances shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the actions and harm to the child.*

Sec. 2. K.S.A. 2014 Supp. 38-2201 is hereby repealed.
