**Testimony to the House Judiciary Committee
In Support of HB2550
February 4, 2016**

Chairman Barker and Committee Members,

Our associations support HB2550 as requested by the Kansas Commission on Police Officer Standards and Training. This bill will clarify that certain documents our agencies submit to the Kansas Commission on Police Officer Standards and Training relating to personnel matters and the state registry will remain closed under the Kansas Open Records Act.

We urge you to recommend this bill favorably to pass.
