**Testimony to the House Judiciary Committee
In Support of HB2555
February 4, 2016**

Chairman Barker and Committee Members,

Our associations support HB2555 as requested by the Kansas Commission on Police Officer Standards and Training. This bill will provide the Commission can consider an officer or applicants "deferred judgement agreement" the same as they consider diversions. The Kansas Commission on Police Officer Standards and Training operates to assure integrity, professionalism, and training standards for Kansas law enforcement officers. The amendments to this bill will assist them in meeting these goals.

We urge you to recommend this bill favorably to pass.
