HOUSE BILL No. 2095

By Committee on Pensions and Benefits

1-23

Proposed amendment to HB 2095
2/9/2015

Adjusting employer contribution rate by the amount of debt service in fiscal year 2016

Prepared by David Wiese, Office of Revisor of Statutes

AN ACT concerning retirement and pensions; relating to the Kansas public employees retirement system and systems thereunder; revenue bonds to finance a portion of unfunded actuarial liability of KPERS; requirements and procedures; employer contribution rates; amending K.S.A. 2014 Supp. 74-4914d and 74-4920 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) For the purpose of financing a portion of the unfunded actuarial pension liability of the Kansas public employees retirement system, the Kansas development finance authority is hereby authorized to issue one or more series of revenue bonds under the Kansas development finance authority act in an amount necessary to provide a deposit or deposits to the Kansas public employees retirement system in a total amount not to exceed $1,500,000,000 plus all amounts required to pay the costs of issuance of the bonds, including any credit enhancement, interest costs and to provide any required reserves for the bonds. No bonds shall be issued until such issuance has been approved by a resolution of the state finance council. The principal amount, interest rates and final maturity of such revenue bonds and any bonds issued to refund such bonds or parameters for such principal amount, interest rates and final maturity shall be approved by a resolution of the state finance council, except that such interest rate shall not exceed 5%. The bonds, and interest thereon, issued pursuant to this section shall be payable from moneys appropriated by the state for such purpose. The bonds, and interest thereon, issued pursuant to this section shall be obligations only of the authority and in no event shall such bonds constitute an indebtedness or obligation of the Kansas public employees retirement system or an indebtedness or obligation for which the faith and credit or any assets of the system are pledged. Neither the state nor the department of administration shall have the power to pledge the full faith and credit or taxing power of the state for debt service on any bonds issued pursuant to this section, and any payment by the department for such purpose shall be subject to and dependent on appropriations by the legislature. Any obligation of the state or the department for payment of debt service on bonds issued pursuant to this section shall not be considered a debt or obligation of the state for the not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. *For the fiscal year commencing in calendar year ~~2016~~, the contribution rate provided by this section shall be reduced in the amount of the debt service payment allocated to the department of corrections for bonds issued pursuant to section 1, and amendments thereto, as certified by the board.*

2015

Sec. 3. K.S.A. 2014 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in ~~subsection (3)(a) of~~ K.S.A. 74-4908*(3)(a)*, and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in ~~subsection (3)(a) of~~ K.S.A. 74-4908*(3)(a)*, and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2016, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. *For the fiscal year commencing in calendar year ~~2016~~, the contribution rate provided by this subsection shall be reduced in the amount of the debt service payment for bonds issued pursuant to section 1, and amendments thereto, as certified by the board.* 2015

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year;
