Testimony of Dennis Phillips

Re: HB 2653

Mr. Chairman and members of the committee I, thank you for this opportunity to appear before you today. I am here on behalf of the Kansas State Council of Fire Fighters to ask for your support in raising the limit on working after retirement from \$15,000.00 to \$25,000.00 under Kansas Police and Firemen retirements system (KP&F).

This would make it consistent with the provisions under KPERS. Therefore it would make it easier and less confusing for KPERS to what a retiree is allowed to earn when working after retirement.

Again I ask you for your support and would stand for questions.
