Chairman Proehl opened the meeting and advised the Members that the Department of Revenue brought examples of the digital license plates that were discussed in the presentation last week.

The Chairman drew the Committee's attention to the Minutes of the House Transportation Committee meeting on March 8 and 9, 2016. Representative Lusker moved to approve the Minutes, seconded by Representative Ryckman and the Motion carried.

Chairman Proehl opened the hearing on **SB373**.

Hearing on: SB373 — Driver's license operation of vehicle with temporary registration.

Staff explained the bill.

The Chairman recognized Ed Klumpp. ([Attachment 1](#)) According to Mr. Klumpp, this bill is a technical fix to KSA 8-235 changing the reference to a "temporary thirty-day permit" to a "temporary 60-day permit." In summary **SB373** would amend a driver's license statute to reflect changes made in 2012 that extended temporary registration permits for vehicles from 30 days to 60 days.

There were no other Proponents and no Opponents. After questions were answered, the Chairman
