RE: Testimony on House Bill 2093
Adding Restriction Codes to CDL to maintain compliance with FMCSA regulations

Mr. Chairman and members of the committee, thank you for the opportunity to testify on House Bill 2093.

The Kansas Division of Vehicles is proposing legislation to amend KSA 8-2,135 to add restriction codes as follows:

- “O” - no tractor trailer
- “E” - no manual transmission in CMV
- “M” - no class A passenger vehicle
- “N” - no class A/B passenger vehicle
- “Z” - no full air brake in a CMV

The addition of these codes will allow us to maintain compliance with the Federal Motor Carrier Safety Administration (FMCSA) 49 CFR 383.95.

The Division of Vehicles requests this go into effect July 1, 2015.

Thank you. I will stand for questions.
