RE: Testimony on Senate Bill 215
Payment Receipt in lieu of a Registration Receipt as evidence of renewal

Mr. Chairman and members of the committee, thank you for the opportunity to testify on Senate Bill 215.

The Division of Vehicles has reviewed SB 215 and has no concerns with the passage and implementation of the bill. In the interest of providing excellent customer service, passage of this bill will be beneficial.

With that said, I would like to call to your attention K.S.A. 8-143e with regard to registration receipts for trucks or truck tractors; which states, "the registration receipt shall be carried in the cab of such truck or truck tractor during all the time the same is operated on the highways of this state." The payment receipt discussed in Senate Bill 215 will not qualify at this time as a registration receipt according to the above statute. K.S.A. 8-143e would need to be amended to include the payment receipt authorized by Senate Bill 215 in lieu of a registration receipt as evidence of renewal for trucks registered per K.S.A. 8-134a.

Thank you, I will stand for questions.
