

Veterinary Health Center

AT KANSAS STATE UNIVERSITY

**Testimony on SB 189 to
The Senate Agriculture Committee
By Dr. Roger Fingland
College of Veterinary Medicine, Kansas State University
February 17, 2015**

Good morning, Chairman Love, and member of the committee.

SB 189 proposes the creation of an institutional license for qualified veterinarians practicing on client-owned animals at a school of veterinary medicine.

We have worked with the agency and can implement the bill as drafted.

Thank you for the opportunity to be heard on this matter.

Roger B. Fingland, DVM, MBA, DACVS
Executive Associate Dean
