SENATE EDUCATION COMMITTEE

Testimony Regarding SB 93

Blake Flanders, Ph.D.

Vice President for Workforce Development

Good afternoon Chairman Abrams and Members of the Committee. Thank you for this opportunity to provide testimony on the proposed SB 93. We fully support the change that would allow Johnson County Community College to participate in this program. We are also supportive of the intent to incent community colleges and technical colleges to help students complete their high school equivalency diploma and an eligible career technical education program.
