Testimony supporting SB 217
Senate Federal and State Affairs Committee

Chairman Ostmeyer and Senators of the Committee

We support SB 217 because it opens farmers' markets to more farm wineries, which the KVFWA membership has always favored. We also support this method of permitting and hope that soon we may use online/email notification. We thank the Secretary of Agriculture and for involving us in the process that culminated with this measure. . We look forward to being able to participate at even more local markets, where Kansans look for locally sourced products and are interested in local producers.

I have attached a list of the current Farm Wineries, Outlets, and Market permits. We believe this measure continues to elevate and promote Kansas as a wonderful wine state.

Thank you for your time, service and consideration,

Philip Bradley
