Fed and State Committee Members

This testimony in opposition to SB 262 Charitable Gaming

Please reject SB 262

As a non-profit organization and a member of the community that assists non-profits in fund raising I would like to submit that this committee worked hard to draft and refine your own Charitable gaming bill Sub HB 2383 which provides relief for the over regulation and demise of Charitable bingo.

I commend you on your work on Sub HB 2383 I believe it fulfills the needs of the Charitable raffle amendment passed by the voters in Nov. and will still protect the citizens of Kansas. While allowing Non-profits to produce the income they need too work in the community.

SB 262 is a giant step backwards compared to your bill.

Thank You
