Testimony in Support of

SB 74 Drivers Sunset Extension

February 3, 2015

Thank you for the opportunity to testify in support of SB 74, which would extend to June 30, 2020, the sunset on the drivers license reinstatement fee distribution that includes the judicial branch nonjudicial salary adjustment fund. While we would prefer that the sunset be lifted, as it appears that the need for the funding will not disappear, we appreciate the Legislature granting this source to help provide funding to the Judicial Branch.

We ask that you consider this bill favorably. Thank you again for the opportunity to testify in support of SB 74. I am happy to answer questions.
