(e) Notwithstanding subsection (a), when a court orders expungement of a conviction or adjudication that requires an offender to register pursuant to the Kansas offender registration act, the registration requirement for such conviction or adjudication does not terminate. (j) No application for voter registration shall be made available for public inspection or copying unless the information required by paragraph (5) of subsection (b) has been removed or otherwise rendered unreadable.

(k) If an applicant fails to answer the question prescribed in paragraph (15) of subsection (b), the county election officer shall send the application to the applicant at the postal delivery address given on the application, by nonforwardable mail, with a notice of incompleteness. Upon receipt of this information, the secretary of state shall notify the state election board, as established under K.S.A. 25-2203, and amendments thereto, that such application is pending.

(2) The state election board shall give the applicant an opportunity for a hearing and an opportunity to present any additional evidence to the state election board. Notice of such hearing shall be given to the applicant at least five days prior to the hearing date. An applicant shall have the opportunity to be represented by counsel at such hearing.

(8) upon a determination by the department of corrections that disclosure of the records is necessary for further treatment of the juvenile.

(b) Intentional violation of this section is a class C nonperson misdemeanor.

(c) Nothing in this section shall operate to extinguish any right of a juvenile established by attorney-client, physician-patient, psychologist-client or social worker-client privileges.

(d) Relevant information, reports and records shall be made available to the department of corrections upon request and a showing that the juvenile has been placed in the custody of the secretary of corrections.

38-2326. (a) In order to properly advise the three branches of government on the operation of the juvenile justice system, there is hereby established within and as a part of the central repository, a juvenile offender information system. The system shall serve as a repository of juvenile offender information which is collected by juvenile justice agencies and reported to the system.

(b) Except as otherwise provided by this subsection, every juvenile justice agency shall report juvenile offender information, whether collected manually or by means of an automated system, to the central repository, in accordance with rules and regulations adopted pursuant to this section. A juvenile justice agency shall report to the central repository those reportable events involving a violation of a county resolution or city ordinance only when required by rules and regulations adopted by the director.

(c) Reporting methods may include:

(1) Submission of juvenile offender information by a juvenile justice agency directly to the central repository;

(2) if the information can readily be collected and reported through the court system, submission to the central repository by the office of judicial administrator; or

(3) if the information can readily be collected and reported through juvenile justice agencies that are part of a geographically based information system, submission to the central repository by the agencies.

(d) The director may determine, by rules and regulations, the statutorily required reportable events to be reported by each juvenile justice agency, in order to avoid duplication in reporting.

(e) Juvenile offender information maintained in the juvenile offender information system is confidential and shall not be disseminated or publicly disclosed in a manner which enables identification of any individual who is a subject of the information, except that the information shall be open to inspection by law enforcement agencies of this state, by the Kansas department for children and families if related to an individual in the secretary's custody or control, by the juvenile justice authority if related to an individual in the commissioner's custody or control, by the department of corrections if related to an individual in the custody and control of the secretary of corrections, by educational institutions to the extent necessary to provide the safest possible environment for pupils and employees, by any educator to the extent necessary for the protection of the educator and pupils, by the officers of any public institution to which the individual is committed, by county and district attorneys, by attorneys for the parties to a proceeding under this code, by an intake and assessment worker or upon order of a judge of the district court or an appellate court. Such information shall reflect the offense level and whether such offense is a person or nonperson offense.

(f) Any journal entry of a trial of adjudication shall state the number of the statute under which the juvenile is adjudicated to be a juvenile offender and specify whether each offense, if done by an adult, would constitute a felony or misdemeanor, as defined in K.S.A. 2015 Supp. 21-5102, and amendments thereto.

(g) Any law enforcement agency that willfully fails to make any report required by this section shall be liable to the state for the payment of a civil penalty, recoverable in an action brought by the attorney general, in an amount not exceeding \$500 for each report not made. Any civil penalty recovered under this subsection shall be paid into the state general fund.

(h) The director shall adopt any rules and regulations necessary to implement, administer and enforce the provisions of this section.

(i) The director shall develop incentives to encourage the timely entry of juvenile offender information into the central repository.

(b) An insurer that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed shall provide to the commissioner, on a form prescribed by the commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may require.

(c) Any other person that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed may provide to the commissioner, on a form prescribed by the commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may request.

(d) (1) Each insurer shall have antifraud initiatives reasonably calculated to detect fraudulent insurance acts. Antifraud initiatives may include fraud investigators, who may be insurer

employees or independent contractors and an antifraud plan submitted to the commissioner no later than July 1, 2007. Each insurer that submits an antifraud plan shall notify the commissioner of any material change in the information contained in the antifraud plan within 30 days after such change occurs. Such insurer shall submit to the commissioner in writing the amended antifraud plan.

The requirement for submitting any antifraud plan, or any amendment thereof, to the commissioner shall expire on the date specified in subsection (d)(2) unless the legislature reviews and reenacts the provisions of subsection (d)(2) pursuant to K.S.A. 45-229, and amendments thereto.

(2) Any antifraud plan, or any amendment thereof, submitted to the commissioner for informational purposes only shall be confidential and not be a public record and shall not be subject to discovery or subpoena in a civil action unless following an in camera review, the court determines that the antifraud plan is relevant and otherwise admissible under the rules of evidence set forth in article 4 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto. The provisions of this paragraph shall expire on July 1, 2016, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2016.

(e) Except as otherwise specifically provided in K.S.A. 2015 Supp. 21-5812(a), and amendments thereto, and K.S.A. 44-5,125, and amendments thereto, a fraudulent insurance act shall constitute a severity level 6, nonperson felony if the amount involved is \$25,000 or more; a severity level 7, nonperson felony if the amount is at least \$5,000 but less than \$25,000; a severity level 8, nonperson felony if the amount is at least \$1,000 but less than \$5,000; and a class C nonperson misdemeanor if the amount is less than \$1,000. (f) In addition to any other penalty, a person who violates this statute shall be ordered to make restitution to the insurer or any other person or entity for any financial loss sustained as a result of such violation. An insurer shall not be required to provide coverage or pay any claim involving a fraudulent insurance act.

(g) This act shall apply to all insurance applications, ratings, claims and other benefits made pursuant to any insurance policy.

40-2,118a. From and after July 1, 2011, (a) For purposes of this act a "fraudulent insurance act" means an act committed by any person who, knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it will be presented to or by an insurer, purported insurer, broker or any agent thereof, any written statement as part of, or in support of, an application for the issuance of, or the rating of an insurance policy for personal or commercial insurance, or a claim for payment or other benefit pursuant to an insurance policy for commercial or personal insurance which such person knows to contain materially false information concerning any fact material thereto; or conceals, for the purpose of misleading, information concerning any fact material thereto.

(b) An insurer that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed shall provide to the commissioner, on a form prescribed by the commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may require.

(c) Any other person that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed may provide to the commissioner, on a form prescribed by the

commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may request.

(d) (1) Each insurer shall have antifraud initiatives reasonably calculated to detect fraudulent insurance acts. Antifraud initiatives may include: Fraud investigators, who may be insurer employees or independent contractors; or an antifraud plan submitted to the commissioner no later than July 1, 2007. Each insurer that submits an antifraud plan shall notify the commissioner of any material change in the information contained in the antifraud plan within 30 days after such change occurs. Such insurer shall submit to the commissioner in writing the amended antifraud plan.

The requirement for submitting any antifraud plan, or any amendment thereof, to the commissioner shall expire on the date specified in paragraph (2) of this subsection unless the legislature reviews and reenacts the provisions of paragraph (2) pursuant to K.S.A. 45-229, and amendments thereto.

(2) Any antifraud plan, or any amendment thereof, submitted to the commissioner for informational purposes only shall be confidential and not be a public record and shall not be subject to discovery or subpoena in a civil action unless following an in camera review, the court determines that the antifraud plan is relevant and otherwise admissible under the rules of evidence set forth in article 4 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto. The provisions of this paragraph shall expire on July 1, 2016, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2016.

(e) Except as otherwise specifically provided in K.S.A. 21-3718, and amendments thereto, and K.S.A. 44-5,125, and amendments thereto, a fraudulent insurance act shall constitute a severity level 6, nonperson felony if the amount involved is \$25,000 or more; a severity level 7, nonperson felony if the amount is at least \$5,000 but less than \$25,000; a severity level 8, nonperson felony if the amount is at least \$1,000 but less than \$5,000; and a class C nonperson misdemeanor if the amount is less than \$1,000. Any combination of fraudulent acts as defined in subsection (a) which occur in a period of six consecutive months which involves \$25,000 or more shall have a presumptive sentence of imprisonment regardless of its location on the sentencing grid block.

(f) In addition to any other penalty, a person who violates this statute shall be ordered to make restitution to the insurer or any other person or entity for any financial loss sustained as a result of such violation. An insurer shall not be required to provide coverage or pay any claim involving a fraudulent insurance act.

(g) This act shall apply to all insurance applications, ratings, claims and other benefits made pursuant to any insurance policy.

40-955. (a) Every insurer shall file with the commissioner, except as to inland marine risks where general custom of the industry is not to use manual rates or rating plans, every manual of classifications, rules and rates, every rating plan, policy form and every modification of any of the foregoing which it proposes to use. Every such filing shall indicate the proposed effective date and the character and extent of the coverage contemplated and shall be accompanied by the information upon which the insurer supports the filings. A filing and any supporting information shall be open to public inspection after it is filed with the commissioner, except that disclosure shall not be required for any information contained in a filing or in any supporting documentation for the filing when such information is either a trade secret or copyrighted. For the purposes of this section, the term "trade secret" shall have the meaning ascribed to it in K.S.A. 60-3320, and amendments thereto. An insurer may satisfy its obligations to make such filings by authorizing the commissioner to accept on its behalf the filings made by a licensed rating organization or another insurer. Nothing contained in this act shall be construed to require any insurer to become a member

or subscriber of any rating organization.

(b) Certificate of insurance forms must be filed with the commissioner of insurance and approved prior to use. Notwithstanding the "large risk" filing exemption in subsection (j), a certificate of insurance cannot be used to modify, alter or amend the insurance policy it describes. The certificate of insurance shall contain the following or similar language: The certificate of insurance neither affirmatively nor negatively amends, extends or alters the coverage afforded by the policies listed thereon. An industry standard setting organization may be authorized by the commissioner of insurance to file certificate of insurance forms on behalf of authorized insurers.

(c) Any rate filing for the basic coverage required by K.S.A. 40-3401 et seq., and amendments thereto, loss costs filings for workers compensation, and rates for assigned risk plans established by article 21 of chapter 40 of the Kansas Statutes Annotated or rules and regulations established by the commissioner shall require approval by the commissioner before its use by the insurer in this state. As soon as reasonably possible after such filing has been made, the commissioner shall in writing approve or disapprove the same, except that any filing shall be deemed approved unless disapproved within 30 days of receipt of the filing.

(d) Any other rate filing, except personal lines filings, shall become effective on filing or any prospective date selected by the insurer, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fails to meet the requirements of this act. Personal lines rate filings shall be on file for a waiting period of 30 days before becoming effective, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fail to meet requirements of this act. The term "personal lines" shall mean insurance for noncommercial automobile, homeowners, dwelling fire-and-renters insurance policies, as defined by the commissioner by rules and regulations. A filing complies with this act unless it is disapproved by the commissioner within the waiting period or pursuant to subsection (f).

(e) In reviewing any rate filing the commissioner may require the insurer or rating organization to provide, at the insurer's or rating organization's expense, all information necessary to evaluate the reasonableness of the filing, to include payment of the cost of an actuary selected by the commissioner to review any rate filing, if the department of insurance does not have a staff actuary in its employ.

(f) (1) (A) If a filing is not accompanied by the information required by this act, the commissioner shall promptly inform the company or organization making the filing. The filing shall be deemed to be complete when the required information is received by the commissioner or the company or organization certifies to the commissioner the information requested is not maintained by the company or organization and cannot be obtained.

(B) If the commissioner finds a filing does not meet the requirements of this act, the commissioner shall send to the insurer or rating organization that made the filing, written notice of disapproval of the filing, specifying in what respects the filing fails to comply and stating the filing shall not become effective.

(C) If at any time after a filing becomes effective, the commissioner finds a filing does not comply with this act, the commissioner shall after a hearing held on not less than 10 days' written notice to every insurer and rating organization that made the filing issue an order specifying in what respects the filing failed to comply with the act, and stating when, within a reasonable period thereafter, the filing shall be no longer effective. Copies of the order shall be sent to such insurer or rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(2) (A) In the event an insurer or organization has no legally effective rate because of an order

disapproving rates, the commissioner shall specify an interim rate at the time the order is issued. The interim rate may be modified by the commissioner on the commissioner's own motion or upon motion of an insurer or organization.

(B) The interim rate or any modification thereof shall take effect prospectively in contracts of insurance written or renewed 15 days after the commissioner's decision setting interim rates.

(C) When the rates are finally determined, the commissioner shall order any overcharge in the interim rates to be distributed appropriately, except refunds to policyholders the commissioner determines are de minimis may not be required.

(3) (A) Any person or organization aggrieved with respect to any filing that is in effect may make written application to the commissioner for a hearing thereon, except that the insurer or rating organization that made the filing may not proceed under this subsection. The application shall specify the grounds to be relied on by the applicant.

(B) If the commissioner finds the application is made in good faith, that the applicant would be so aggrieved if the applicant's grounds are established, and that such grounds otherwise justify holding such a hearing, the commissioner shall, within 30 days after receipt of the application, hold a hearing on not less than 10 days' written notice to the applicant and every insurer and rating organization that made such filing.

(C) Every rating organization receiving a notice of hearing or copy of an order under this section, shall promptly notify all its members or subscribers affected by the hearing or order. Notice to a rating organization of a hearing or order shall be deemed notice to its members or subscribers.

(g) No insurer shall make or issue a contract or policy except in accordance with filings which have been filed or approved for such insurer as provided in this act.

(1) On an application for personal motor vehicle insurance where the applicant has applied for collision or comprehensive coverage, the applicant shall be allowed to identify a lienholder listed on the certificate of title for the motor vehicle described in the application.

(2) On an application for property insurance on real property, the applicant shall be allowed to identify a mortgagee listed on a mortgage for the real property described in the application.

(h) The commissioner may adopt rules and regulations to allow suspension or modification of the requirement of filing and approval of rates as to any kind of insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practicably be filed before they are used.

(i) Except for workers compensation and employer's liability line, the following categories of commercial lines risks are considered special risks which are exempt from the filing requirements in this section: (1) Risks that are written on an excess or umbrella basis; (2) commercial risks, or portions thereof, that are not rated according to manuals, rating plans, or schedules including "a" rates; (3) large risks; and (4) special risks designated by the commissioner, including but not limited to risks insured under highly protected risks rating plans, commercial aviation, credit insurance, boiler and machinery, inland marine, fidelity, surety and guarantee bond insurance risks.

(j) For the purposes of this subsection, "large risk" means: (1) An insured that has total insured property values of \$5,000,000 or more; (2) an insured that has total annual gross revenues of \$10,000,000 or more; or (3) an insured that has in the preceding calendar year a total paid premium of \$50,000 or more for property insurance, \$50,000 or more for general liability insurance, or \$100,000 or more for multiple lines policies.

(k) The exemption for any large risk contained in subsection (h) shall not apply to workers compensation and employer's liability insurance, insurance purchasing groups, and the basic coverage required by K.S.A. 40-3401 et seq., and amendments thereto.

(l) Underwriting files, premium, loss and expense statistics, financial and other records pertaining to special risks written by any insurer shall be maintained by the insurer and shall be subject to examination by the commissioner.

(m) (1) Any entity that purchases a workers compensation policy for the covered employees of more than one employer pursuant to a shared employment relationship with each employer must purchase the workers compensation policy on a separate multiple coordinate policy basis. Such workers compensation policies must be issued pursuant to K.S.A. 44-501 et seq., and amendments thereto, from an insurer holding a certificate of authority to do business in this state and providing workers compensation coverage.

(2) The commissioner of insurance may allow an insurer to issue coverage through a master policy if the commissioner is satisfied that the insurer is able to track and report individual client experience to the advisory organization in an acceptable fashion. All such master policies must be filed with the commissioner for prior approval.

(3) The commissioner of insurance shall be authorized to adopt such rules and regulations as are reasonable and necessary to carry out the purpose and the provisions of this subsection.

40-4913. (a) (1) Each insurer shall notify the commissioner whenever such insurer terminates a business relationship with an insurance agent if:

(A) The termination is for cause;

(B) such insurance agent has committed any act which would be in violation of any provision of subsection (a) of K.S.A. 2015 Supp. 40-4909, and amendments thereto; or

(C) such insurer has knowledge that such insurance agent is engaged in any activity which would be in violation of any provision of subsection (a) of K.S.A. 2015 Supp. 40-4909, and amendments thereto.

(2) The notification shall:

(A) Be made in a format prescribed by the commissioner;

(B) be submitted to the commissioner within 30 days of the date of the termination of the business relationship; and

(3) Upon receipt of a written request from the commissioner, each insurer shall provide to the commissioner any additional data, documents, records or other information concerning the termination of the insurer's business relationship with such agent.

(4) Whenever an insurer discovers or obtains additional information which would have been reportable under paragraph (1) of this subsection, the insurer shall forward such additional information to the commissioner within 30 days of its discovery.

(b) (1) Each insurer shall notify the commissioner whenever such insurer terminates a business relationship with an insurance agent for any reason not listed in subsection (a).

(2) The notification shall:

(A) Be made in a format prescribed by the commissioner;

(B) be submitted to the commissioner within 30 days of the date of the termination of the business relationship.

(3) Upon receipt of a written request from the commissioner, each insurer shall provide to the commissioner any additional data, documents, records or other information concerning the termination of the insurer's business relationship with such agent.

(4) Whenever an insurer discovers or obtains additional information which would have been

reportable under paragraph (1) of this subsection, the insurer shall forward such additional information to the commissioner within 30 days of its discovery.

(c) For the purposes of this section, the term "business relationship" shall include any appointment, employment, contract or other relationship under which such insurance agent represents the insurer.

(d) (1) No insurance entity, or any agent or employee thereof acting on behalf of such insurance entity, regulatory official, law enforcement official or the insurance regulatory official of another state who provides information to the commissioner in good faith pursuant to this section shall be subject to a civil action for damages as a result of reporting such information to the commissioner. For the purposes of this section, insurance entity shall mean any insurer, insurance agent or organization to which the commissioner belongs by virtue of the commissioner's office.

(2) Any document, material or other information in the control or possession of the department that is furnished by an insurance entity or an employee or agent thereof acting on behalf of such insurance entity, or obtained by the insurance commissioner in an investigation pursuant to this section shall be kept confidential by the commissioner. Such information shall not be made public or subject to subpoena, other than by the commissioner and then only for the purpose of enforcement actions taken by the commissioner pursuant to this act or any other provision of the insurance laws of this state.

(3) Neither the commissioner nor any person who received documents, materials or other information while acting under the authority of the commissioner shall be required to testify in any private civil action concerning any confidential documents, materials or information subject to paragraph (2).

(4) The commissioner may share or exchange any documents, materials or other information, including confidential and privileged documents referred to in paragraph (2) of subsection (d), received in the performance of the commissioner's duties under this act, with:

(A) The NAIC;

(B) other state, federal or international regulatory agencies; and

(C) other state, federal or international law enforcement authorities.

(5) (A) The sharing or exchanging of documents, materials or other information under this subsection shall be conditioned upon the recipient's authority and agreement to maintain the confidential and privileged status, if any, of the documents, materials or other information being shared or exchanged.

(B) No waiver of an existing privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized by paragraph (1) of subsection (d).

(6) The commissioner of insurance is hereby authorized to adopt such rules and regulations establishing protocols governing the exchange of information as may be necessary to implement and carry out the provisions of this act.

(e) The provisions of paragraph (2) of subsection (d) shall expire on July 1, 2016, unless the legislature acts to reenact such provision. The provisions of paragraph (2) of subsection (d) shall be reviewed by the legislature prior to July 1, 2016.

(f) For the purposes of this section, insurance entity shall mean any insurer, insurance agent or organization to which the commissioner belongs by virtue of the commissioner's office.

(g) Any insurance entity, including any authorized representative of such insurance entity, that fails to report to the commissioner as required under the provisions of this section or that is found by a court of competent jurisdiction to have failed to report in good faith, after notice and hearing, may have its license or certificate of authority suspended or revoked and may be fined in

Within 48 hours after returning from the requested time off, the employee shall provide documentation which may include, but is not limited to, that described in subsection (b)(2) to support taking time off for a purpose set forth in subsection (a).

(2) When an unscheduled absence occurs, the employer shall not take any action against the employee if the employee, within 48 hours after the beginning of the unscheduled absence, provides a certification to the employer in the form of any of the following:
